

Crosswords 002

Across

3. A producer whose style has been described as a fusion of rock and pop. He is in charge of the MILGRAM music project and works with hololive.
4. A producer known for dark and violent songs who primarily uses GUMI and Miku. He does his own art and has released 6 albums.
5. A producer who is known for his unique sound. He is also a popular singer and has sung the theme songs for Chainsaw Man and The Boy and the Heron.
6. A producer who toured last year, who primarily uses Miku. Although he is an artist himself, he often collaborates with other artists, such as si_ku

Down

1. A producer whose videos largely feature black and white imagery. He was one of the founding members of the Ballroom record label.
2. A producer who began releasing music in 2007. He is affiliated with a doujin group with the same name as his first album.
3. A producer known as the "God of Miku Ballads". Although he announced his retirement in 2011, he returned to produce a demo song for Xin Hua.
4. A producer known for telling stories that are often tragic or macabre. His songs are usually connected through a common plot or a theme, such as the seven deadly sins.
